Gideons International distributes Bibles and New Testaments around the world. Having God's Word can and does lead people to faith in Christ, and those new Christians then grow by studying their Scriptures and even use them to share their faith with others.

For this reason, they focus on distributing complete Bibles, New Testaments, or portions thereof. These copies of God's Word are printed in more than 90 languages and are either given directly to certain individuals or placed in selected public locations where large numbers of people, who may be searching for answers, will have the ability to encounter the Word of God.
